DEDICATION

We hereby dedicate the Beckvillian of 1951 to the School Board of Beckville Independent School District in appreciation for the unstinted time and effort which they have so generously and loyally given.

Dear Students:

This 1951 issue of the Beckvillian depicts another year in the life and progress of the Beckville Schools. If we fulfill the true purpose of our schools, we must be ready to make even greater progress as individuals after having spent our time as students in school. We do not make progress by standing still.

Congratulations to you Seniors of 1951. We are especially looking for great things from such an able class as you. We believe that you have the equipment and fortitude to accomplish the things which are now expected of you.

Our heartiest thanks to the 1951 annual staff, editor and sponsor, for an excellent book, which all of us will enjoy more and more as the years go by.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. G. Beauchamp". The signature is fluid and cursive, with a large loop at the end.
